The agricultural produces are being transported to nearby markets through this road. The GOI has also announced to establish NIMZ in Valetivaripalem, Lingasamudram, C.S.Puram mandals. It is expected that the traffic will be considerably increased. Due to the commercial vehicular traffic, public are experiencing great difficulty with the existing intermediate carriage way as well as narrow culverts on this road. It is essential to widen the road from existing 5.50m to 7.00m, to cater to the needs of present day traffic and to avoid accidents on the road.
